

Name: Lisa Marien

Hometown: Princeton, MA

Years in NEMS: 10

Years on NEMS Board: 3

Background:

I started racing at age 6 in my backyard at Wachusett. I jumped from Crotched Mt. to Cannon, (Franconia Ski Club) as a kid (1996 NH Tecnica Cup winner), and landed at Waterville Valley Academy for high school. After a soccer knee injury, the doctor suggested ice skating to rebuild lateral strength, which led to playing college ice hockey instead of skiing.

In 2009, after becoming a high school ski coach, I joined a friend who was a long time racer at a NEMS race and was hooked. I have since earned multiple Eastern and season class championships and one women's Sise Cup, but my proudest accomplishment is being the reigning Eastern Women's Downhill champion.

Professional Background:

I am a Cannabis professional, specializing in operations and compliance. I am passionate about educating people on the potential benefits of integrating cannabis into an active lifestyle.
